COMEDY – HORROR – MOVIE REVIEWS – WINE

A PODCAST HOSTED BY COURTNEY AND STEFANIE
TWO LONGTIME BEST FRIENDS WITH VERY DIFFERENT VIEWS ON SCARY MOVIES!

ABOUT **THEY'RE TERRIFIED & TIPSY**

Each week, the hosts of this unique and genuinely fun show review a new scary movie over a bottle of wine. Things tend to go a little off the rails (in a good way!) as the hosts hilariously break down the movie. The unscripted nature of each episode leads to some very entertaining episodes!

THE HOSTS

Stefanie is a New York transplant to Florida. She met Courtney in the interior design field and quickly became friends. Unlike Courtney, Stefanie hates scary movies. However, after some convincing—and lots and lots of wine—she reluctantly decided to help create the podcast. After recording the first episode, she decided that it was too much fun and scary movies would forever be a necessary evil!

Courtney was born and raised in Florida where she pursues her creative outlet in interior design for a major home builder. Creativity in all forms has always been a factor in her life. This, along with her love for scary movies and especially wine, brought her to help create the They're Terrified & Topsy podcast. In fact, when she found out how much Stefanie hated scary movies, it motivated her even more!

THE EXECUTIVE PRODUCER

Dustin is originally from Indiana but eventually found his way to Florida. With a business and marketing degree, and his insatiable need to create, Dustin found himself right at home helping Stefanie and Courtney develop the They're Terrified & Topsy podcast. Between audio and video editing, sound engineering, web development, promoting, and publishing—basically everything in podcasting but hosting—Dustin believes he has finally found his calling!
